

# AppleFest!

---

Saturday  
Sept 7<sup>th</sup>  
12 – 6 pm

---

Our annual festival celebrates all things apple. Our 46 acres become a showcase for our Saskatchewan grown apples where we proudly offer up a wide variety of fresh picked apples and other goodies. You'll also find the best food and beverages – including fresh-pressed apple cider, pies,

caramel apples, Apple Smokie on a bun, and so much more. Live music by the Paddlewheelers, tractor tours run every 20 minutes (tickets will need to be purchased in advance due to the limited seats) and the Sour Cherry Spitting or Pie Eating Contests will be where all the action is, so sign up early if you want your chance to win a prize. Your visit wouldn't be complete without browsing through our Country Orchard Store. Remember, our event offers FREE admission and FREE parking.
